Dear Club,

Sometimes I reckon I must be the luckiest man alive, as my girlfriend Mel really is the dirtiest girl I have ever known. She is absolutely filthy and loves acting the slut for me.

In the two months we have been going out, Mel has fulfilled so many of my fantasies; from taking my cock up her lovely tight arse to jerking herself off with a

cucumber while I filmed her. Nothing seems to be too rude for this girl so, when I told her I'd love to see her getting fucked by another man, I wasn't at all surprised that she agreed.

Leon was the obvious choice as Mel fancied the pants off him and usually flirted outrageously when we were out together drinking. Mel loves to wear short skirts with stockings and heels so that guys get a flash of stocking tops and panties when we're out. As usual, last weekend all the guys in the pub were ogling her, as she wiggled that delicious arse of hers for their benefit.

We'd all had a few and Mel was sitting next to Leon, her hand resting on his thigh as we talked. "Pete wants to see another man's prick inside me," Mel suddenly said out of the blue, stroking her hand gently up to the

“

She slowly lowered herself onto his shaft, moaning with lust...”

growing bulge in his jeans.

Leon shot a look at me, but realised from my smile that I didn't mind. He turned to my girlfriend and kissed her on the lips. My cock swelled as I watched their tongues squirming in each other's mouths, Mel gripping Leon's dick through his trousers in the crowded pub and kneading it slowly as it grew in her hand. Leon slid his own

hand up the sheer black nylon covering Mel's legs until his fingers could just touch the gusset of her knickers under her skirt. Before they got totally

carried away and started fucking on the table, I suggested we all adjourn to my flat.

We were hardly through the door before Leon was unbuttoning Mel's blouse and dragging her tits out of her bra. He squeezed them together and began licking her nipples in turn, while Mel wriggled out of her panties, unzipped Leon's jeans and released his cock. Fuck! Seeing my girlfriend wanking another fat prick right in front of me was just fantastic and I took out my own dick and started to masturbate.

Mel led Leon into the bedroom and pushed him down onto the bed, clambering on top of him and stuffing his meat in her mouth. She looked over at me as she tickled his huge purple knob with her tongue before sliding as much of it as she could between her lips. I could hear the sucking noises as she worked on his tool and I couldn't resist grabbing her arse as she continued her filthy display. Mel moved her legs around so I could finger her twat while she sucked and the urge to stick my cock up her slippery cunt hole was almost overpowering, but I wanted Leon to have that pleasure.

I didn't have to wait long, as Mel straddled

Leon's crotch and steered his throbbing muscle to the entrance of her pussy. She rubbed the end up and down the opening, smearing her sticky love juice between the cheeks of her arse and over the top of her thighs. I watched transfixed as she slowly lowered herself onto his shaft, moaning with lust as, inch by inch, it filled her gash. Leon held onto her breasts as Mel began to screw his rock hard dick. I could see my girl's pussy juice glisten all over his shaft as she pumped it inside her faster and faster, grinding down onto him before lifting her slit completely clear so I could see right inside her gaping hole.

Wanking furiously, I watched them fuck,

switching positions so that Leon was on top, gripping Mel's ankles as he speared her cunt with his meat. He banged away at her, plunging up to his balls as she played with her tits, licking her lips and looking me right in the eye like some filthy slut in a porn film.

With a grunt, Leon suddenly pulled out of her twat and pointed his pulsing dick at her boobs. Mel mauled her tits for him and he exploded all over her, thick spunk jetting out of his prick and splashing onto her sweat-soaked skin. She managed to catch a dollop in her mouth and spat it out down her chin as he continued to unload his cum until he crashed down onto the bed beside her.

Unable to contain myself any longer I stood beside the bed and offered Mel my prick. She hungrily sucked it into her mouth,

slurping on my shaft as I grasped one of her sperm coated breasts. The sight of my girl blowing my dick with another man's cum dribbling out of the corner of her mouth was too much for me and I squirted down her throat. Mel nearly gagged as my jizz sprayed into her. She swallowed hard, gulping the sticky goo down as she gripped the base of my shaft to squeeze out the last few drops.

Suffice to say, the evening's entertainment had only just started, and over the next few hours I got to see Mel being fucked in every one of her holes, even filming her squatting in front of us and dripping spunk out of her arse and cunt at the same time.

Like I said, I'm probably the luckiest man alive!

Pete, Reading.

In an average month, we must get about ten phone calls asking after sex superstar Charlie Rose. Some are quite straightforward; requests for autographs, underwear etc. Others are professional – offers of work with world-renowned photographers and so on. And the remainder is downright

dodgy – offers of a faceful of spunk in exchange for her home phone number. But whatever the request, the level of interest in this most gorgeous of all Club girls never seems to diminish. I'll shut up now and leave you to admire Charlie's opening flower, and please feel free to write in about it.

If there's one thing Felicity Hill knows how to do, it's to tease. She's a pro by our standards, but gentle with it. So after various tongue in cheek gags, going backwards and forwards, we finally got a sensible conversation (as much as we do sensible that is) out of Flick, as she showed us a couple of snaps from a recent holiday.

"It was amazing, the sun was shining, there was a pool, piña coladas in coconuts, ultimate relaxation was reached in more ways than one."

That sounds like a story we'd like to hear, do tell?

"Put it this way, there was some fun in the sun had, with a very dishy guy."

Glad to hear it, lucky chap!

It's always a pleasure to have Mia Sol in the building, as the petite redhead always causes quite the stir. The all natural gal recently added a new and curious image to her body, though I guess not that curious when you come to think of it. Mia's new tattoo depicts a scene from the Kama

Sutra.

"I really like it, and I wanted to get something that was really me and showed my passion for all things erotic."

Well, in certain circumstances at least if someone's unsure of what to do you'll always have a diagram to hand.

BACKDOOR LOVE LESSON

I love reading stories about anal sex, so you can imagine my passion for 'Peaches' in your magazine. After copious wanking sessions, I felt it was my turn to share with the readers an experience I'll never forget.

Just over a year ago, I landed myself a job teaching English in a small town on the south coast of Italy. During my first lesson I was amazed to discover I had a class full of pretty young women.

Titziana (yes, that was her real name!) was

the pick of the bunch. She had a stunning figure with dark shoulder-length hair and a cleavage that smiled at me before she did. As the lessons progressed, Titz (her idea of a nickname, not mine) became more adventurous and flirtatious.

The sexual chemistry was finally released at the end year party. Whilst tucking into our pasta at a local restaurant, Titz was trying hard to keep up with my drinking. The more she drank the randier she became. She looked so damn sexy as she made eye contact with me. She started caressing my thigh and rubbed my instant boner inside my trousers. As I felt my zip being pulled down I knew it was time to take things further.

We made our excuses to the others and hastily made our way to my rented house. When safely through the door, Titz was on me

like an animal. She soon had my cock in her hand which she started sucking on like a porn star.

As she pleased me, I fondled her tanned and swinging tits, feeling her rock hard nipples. The blow-job that followed was lovely but I had other holes I wanted to explore.

I sat on the bed and Titz came and straddled me. She was dripping wet and I hadn't even touched her down there yet. Titz slipped my throbbing cock up her pussy then, as she rode me, I grabbed my suntan lotion from a side table, smeared some on my fingers and inserted one and then two fingers into her hot arse.

The feeling of coldness and the extra penetration had her really worked up. I started fingering her arse in rhythm to our fucking. Anal sex with Titz was now inevitable and I grinned at her.

I pulled out of her wet pussy, turned Titz round and placed my meat at the entrance to her brown eye. I swear it was winking at me!

Her English wasn't the best, but hearing her say "Yes, fuck my bottom,"

in her Italian accent nearly had me squirting right there and then.

My cock slipped in surprisingly easily, which lead me to believe that Titz wasn't an anal virgin (friends in Italy told me this is quite common amongst girls who want to marry without having full sex – but then they end up doing the lot anyway!). The warmth and tightness of her arse sent a wonderful sensation around my body, and I proceeded to bang her for all I was worth.

As her moans grew more audible, I moved my hand around to her front and started fingering her clitty like mad. Her body was really gyrating and I could tell she was on the verge of coming. She let herself go and started pushing back even harder onto my cock. I was loving it and all the bucking and wriggling was sensational on my cock.

I held out for about two more pumps of her arse and then let go as I unleashed an almighty torrent of goo right up her arse. I was still coming as I pulled out and offered her my cock. She greedily cleaned and polished off my meat with her cock-hungry tongue and mouth.

That night, I must have slept with a permanent grin on my face as it's one arse-

fuck I'll never forget.

SHOWN THE DOOR

I just had to write to you to tell you about the first time I had anal sex, which was just a week ago. It was with a gorgeous girl called Becky. I've known Becky for years as we used to work in a hotel together before we left to pursue different careers. She is a small, stunning blonde with nice round tits. I've fancied her for ages, a fact that she has known for just as long. We keep in touch but I hadn't seen her for a while before I decided to pop around to her house. Luckily she was in and we sat down to catch up over a cup of tea.

I didn't have much to say apart from the fact that I had broken up with my long-term girlfriend. Becky, however, had a lot to say. She'd recently got a job with a well-known holiday company and was now an air stewardess. The thought of her in that uniform started to turn me on instantly but it was what she told me next that nearly made me pass out. She confessed that on her days off she worked as a high-class escort, using the airline to make contacts.

“I looked at her in the mirror as I fed my cock up her tight arse.”

couldn't believe what I was hearing, the thought of this beautiful woman getting fucked by loads of different men made me really hard. Of course, after this, the conversation could go nowhere apart from onto sex. Becky asked me if I was getting any and I had to admit that I hadn't. Telling her that one regret about finishing it with my girlfriend was that I never got to shag her arse.

Becky questioned, "What, never?"

I shook my head. "Have you ever had anal sex?" Becky questioned again, adjusting her legs as she sat, so her skirt rode up her long brown legs just a little bit.

"No," I replied, a bit sheepishly.

Becky sat there for a second before saying "You can fuck me up the arse if you want?" I couldn't believe what I was hearing. It was a dream come true!

"It'll cost you, though. Fifty quid," Beck said, telling me that she would treat me like a client but only charge me half! Now some of you might have said 'fuck it' and left but there was no way I was passing this up. We agreed on the price and arranged to meet later that night.

I turned up at Becky's and she answered the door wrapped in a dressing gown. She told me that she had just got out of the bath. As we climbed the stairs to her room, she informed me that the bath was to relax her and her bum for the fucking she was going to get. My cock was bursting to get free when she showed me into the room. The bed was

huge and one of the walls was completely covered by a mirror.

"Get undressed and I'll be with you in a minute," Becky said, as she left the room. With all my clothes off I started to wank my cock, getting hard for the action to come. Becky returned and smiled, dropping her robe as she did so. She asked if I wanted a massage like she normally gives to her clients but I declined, wondering just how I was going to last!

Slowly, Becky replaced my hands with hers, wanking my dick to complete hardness. She then wrapped her lips around the shaft and started to suck me gently. I looked in the

mirror to see her head bobbing up and down. She built up speed, spitting on my dick, and moaned quietly. I didn't know how much more I could take and pulled her legs around so I could play with her neatly trimmed pussy.

She was already wet when I placed a finger inside her and began to frig her furiously. The faster she got, the more fingers I pushed into her and the faster they went.

It was Becky who stopped before I did, pulling away saying, "You'd better fuck my arse now!"

She moved around so that she was on all-fours facing the mirror. I was behind her with my aching prick in my fist, ready to fuck. Becky put her right hand to her mouth to lick her fingers before moving it back and rubbing her arsehole. I knelt there watching as she placed the tip of her middle finger over her tightly puckered anus and stroked it. Gradually she inched her finger in until it was right up to the palm. I nearly came there and then but managed to hold out.

Becky removed her finger slowly and reached for my prick, guiding my helmet towards her. My cock, still wet from being inside this horny bitch's mouth, slipped over her back entrance before I nudged the tip in with a forceful thrust. Becky winced at the pain and told me to inch it in slowly. I looked at her in the mirror as I fed my cock up her tight arse. Her supple tits were hanging down and her eyes were closed as she took in my prick.

"Slowly, slowly. Oh fuck, that feels so fucking good," Becky whispered, as I began to pump her from behind. I was bent forward holding onto one of her tits as she talked dirty, edging me on to build up the speed. "Come on you fucker, fuck me!" she cried as I shafted her anus. "Fuck my arse! Fuck my arse!"

I was getting close to coming as her bum gripped my prick. Becky was the same. She dropped her head and put her hands to good use, frantically playing with her clit with one while she placed the other over the crack in her arse, her fingers gripping my cock as it passed through them.

This was all too much for me and I knew I was going to come. Becky must have sense this and started to yell, "Come in me, come up my bum!" With this she came too. "Oh,

I'm coming, I'm coming!" she said as I grabbed her hips hard and rammed my dick up inside her firing spunk deep inside her.

We collapsed on the bed and just lay there for a while with my prick still inside her. Then it was back to business. There was to be no playing around afterwards – unless I had more cash!

I handed over the money and left wondering who'd be the next to enjoy Becky's arse for a few quid.

It's always a big deal in the office when we come across a girl and realise that she's yet to feature in Club. There's the shock, then comes the bafflement, and finally the excitement. This month it's Michelle Moist who has been putting us through our emotional paces, and it may take us some time to forgive ourselves that it's taken so long to feature this ravishing lady. But thankfully it's never too late!

W We can't think of two things that go together more than women and cars, if you chucked a frothy beer in too, then it would be the ultimate dream team. So when we came across Katy Jayne draped over the hood of this stunning Bentley, we did have to rub our eyes a few times to check we weren't dreaming. Thankfully we weren't as Katy more than put us to shame on our auto knowledge. "I wouldn't mind a Bentley, but I'd prefer an Aston Martin. Not the latest DB11 but the DB9, the handlings amazing on that model, it completely blew my mind." You'll need a big engine to handle Katy.

BOOT-IFUL!

When Alana from work asked me to help her do a car boot fair on the Sunday I jumped at the chance. She's one hell of a sexy lass who works as a secretary for one of the bosses and I'd often watched her in her tight business suit and heels tottering about the offices, with her full breasts bulging against the taut material of her blouse, the nipples jutting out like knobs on a radio. The times I'd wanked off imagining lifting that pencil skirt, parting those shapely legs and sticking my rigid cock into her pussy you wouldn't believe and maybe spending some time with her at the car boot was the way I could bring my desires to fruition!

She picked me up early and I must say I was a bit disappointed to see her in a scruffy pair of old jeans, trainers and a baggy shirt but then, why on earth would she be wearing her work clothes on a weekend.

My mood lifted though as I looked at those awesome boobs still nicely defined in that shirt and those denims were so tight I could actually see the mound of her pussy as we drove to the fair.

The day was quite hard work and as we shoved the remains of her bric-a-brac back in the Volvo estate Alana gave me a big hug and thanked me for my help. Having those tits pressed against my chest stirred my prick and before I had a chance to pull away, she noticed my excitement.

"I didn't realise car boot fairs were such a

turn-on!" she said with a smile and pressed her crotch hard against my swelling cock.

"Maybe there is a special way of thanking you for your help."

With a sexy smirk on her face she gestured for me to get in the car and we set off along the narrow country lanes that led away from the site. As she drove Alana placed her hand on my thigh and slowly stroked upwards towards my semi hard dick. Sliding her hand over the bulge, she gripped my tackle and squeezed, making my meat throb to erection. I gingerly reached over and brushed against one large breast. Her tits were actually quite firm for the size and the prominent nipple showed me she was in need of some dirty fun as well.

Parking up in a field entrance Alana got out and led me over a fence to a secluded group of trees. She pushed me back against one and immediately ground her mouth against mine, stuffing her wet warm tongue into my mouth. I pulled her body to me and gripped her lovely rounded arse cheeks through her jeans, pressing my twitching prick against her sex mound.

We snogged for a while our hands frantically exploring each others fully clothed bodies until I felt her fingers

nimbly pull down the zipper of my trousers and drag my cock out into the dwindling daylight. As she wrapped her fingers around my shaft and began to masturbate me slowly, I fumbled open the buttons of her shirt, staring down at her cleavage as those gorgeous boobs in their tight fitting lacy bra were finally exposed. Without bothering to undo the brassiere, I levered her tits out of the cups and gasped as those full plump knockers thrust towards me.

She moaned with pleasure as I lowered my head and sucked one huge teat into my mouth, nibbling on the end as she gripped my meat even harder.

I flicked open the buttons on her fly and

“ Reaching her taut anus I tickled it with the tip of my tongue...”

twat.

Suddenly her fanny muscles clamped around my knob as she climaxed and I buried myself as deep as I could as the pulses of her orgasm massaged my tool. Squeezing a rigid nipple in each hand I felt the sap rise in my balls and with a grunt of joy I jetted my seed right up her fuck tunnel.

Both our bodies shook as we shared our mutual cum, my spunk squirting her full as her own jizz squelched out around my still pumping prick.

As my cock began to soften I slipped out of her and stood back so I could watch our combined sex goo pour from Alana's cunt onto the ground.

I embedded a couple of fingers inside her to help the gunge free and she pushed her arse down onto them, grinding her minge onto my probing digits as she enjoyed our dirty, open air shag.

After a few minutes rest on the leaf strewn ground beneath the tree we tidied ourselves up and headed back to the car.

Eager to find out if our fuck was merely a one off I told Alana I was eager for more.

“Don't worry” she said with a filthy grin, “There's a car boot nearly every weekend”.

I never knew selling a load of old crap could be such fun!

MOVIE BOFFS

I'd been after a camcorder for a while, so when I spotted a really nice camcorder in the sales recently I just had to snap it up. I was a bit surprised that my girlfriend Laura seemed so keen for me to spend such a lot of money as well, but I soon forgot about that in my excitement at getting a smart new piece of kit.

A couple of weeks later we both went to my office party. It was a free bar all night and by the time we were ready to head for home we were pretty slaughtered. Laura looked great in her little black dress and it really showed off her fabulous figure. Her body never fails to turn me on and so things naturally started to hot up in the cab on the way home. When we finally crashed back through our front door we were both as horny as hell. Standing in the darkened hallway we carried on kissing. I cupped her boobs and started to massage them, stroking her nipples through the fabric of her dress until they were fully erect. Then I

eased a hand inside the crotch of her jeans. The filthy mare wasn't wearing any knickers and I could feel the wetness of her slit as I wriggled a finger inside her cunt. Alana's legs nearly buckled as we stood there against the tree groping each other until we were both desperate to fuck.

I half hoped Alana would suck my cock a bit but she was obviously gagging for a shag and yanked her jeans down to her ankles before turning away so that her delicious rounded arse was sticking out towards me. I parted her buttocks and squatting, licking down her bum crack. Reaching her taut anus I tickled it with the tip of my tongue, probing

gently inside. Jeez, I was tonguing a girl's bumhole out in the countryside where anyone could have seen us! This added to the thrill and I slid my tongue down to her hairless cunt, slurping along the entrance and then licking inside, relishing the strong taste of her pussy juice.

“Fuck me now!” she pleaded and she grabbed a bumcheek with each hand and spread them.

I stood and manoeuvred my rock hard cock into position. I could feel her snatch yearning to swallow my meat and so I thrust inside her. She was well lubricated with cunt fluid and my saliva so my member slid straight up until my aching balls slapped against her buttcheeks. Holding onto her hips I began to screw her, banging my dick for all I was worth in and out of that greasy hole. Reaching round I grabbed her swinging tits and continued pistoning my cock up that lovely

...within a few short thrusts of my cock I was hilt deep in her back passage."

slowly hitched up her dress and traced a way up her thigh towards her knickers with my fingers. Laura grabbed hold of my hand to stop me and whispered, "No. Before you get carried away there's something I want you to do for me. I really want you to film me." It took a few seconds for it to sink in. Then a broad grin spread right across my face. I'd always wanted to capture my missus being rude and filthy live on camera, but had never had the bottle to suggest it. And now here she was offering one of my best fantasies to me on a plate.

"You dirty little minx," I said. "Get your arse up those stairs right now." Laura ran off and I went to find the camcorder. By the time I'd got a hold of it and headed up to the bedroom Laura was already lying on the bed wearing just her underwear, a tiny red thong and matching peek-a-boo bra. My dick was already on the rise. This was going to be serious fun. I put the camera to my eye and

waited for the automatic focus to do its stuff and bring her into view.

"OK, this is how it's going to work," I said. "You do exactly what I say. Is that clear?" I was trying hard to come across as the domineering director.

"Whatever you say," she giggled, entering into the spirit of things and blowing a kiss into the camera.

"Right. Get your gear off," I snapped. "Action!"

Looking straight into the camera Laura winked and then began to kneed her boobs, coyly at first, then more confidently as she started to rub her nipples with her fingertips. Then, unfastening her bra and slipping it off, her gorgeous breasts swung fully into shot. Laura's eyes closed as she continued to massage her nipples, pinching them and pulling them taught. Lowering one hand to her stomach, she then trailed it down to her pussy.

My cock was rampant now as I watched her slide her hand into her knickers and play with herself, her fingers quickly delving inside her love hole. Then Laura hooked both thumbs into the waistband of her

panties, raised her hips slightly and slipped them off. She leaned back and parted her legs for the camera, her pussy gaping wide and excited already, a trickle of love juice snaking down towards her bum. I'd never seen Laura get turned-on quite so quickly. She was obviously really into being filmed. Spreading her pussy lips wide, she began to rub her clitoris in small, circular movements. Her hips pushed upwards and little gasps escaped from her mouth as she pleased herself.

"Very sexy," I encouraged. "Now spice it up a little bit for me, darling." Rolling over the bed, Laura fumbled in the bedside cabinet and to my surprise, pulled out a red vibrator, which I hadn't seen before. Bloody cheek! She'd been using it on the quiet, had she? Twisting the base, it jumped into life and the low buzzing tone filled the room. Laura then guided the pulsing vibrator across her boobs before sending it swiftly downwards, finally plunging it deep into her cunt. As she fucked herself I just couldn't help rubbing my cock through my pants, trying hard to keep the camcorder steady. Laura's hand became a blur as she worked

the vibrator in and out of her sopping pussy, driving herself towards orgasm. It didn't take too long before she started to climax, her hips bucking wildly as she impaled herself even further. She then lay back, her breathing still heavy.

"Very nice," I encouraged. "But I want you on all fours. I want to shoot you from behind." Tutting with mock irritation, Laura got onto her hands and knees and pushed her wonderful arse towards the camera, wiggling it playfully. Then she parted those firm arse cheeks, allowing me to get a lingering shot of her excited, glistening pussy. Picking up the well-oiled vibrator, she rubbed it over her wet pussy lips, savouring the vibrations as she circled the tip over her bubbling cunt.

"Rub it over your arse," I ordered. "I want you to be really dirty. Imagine you're a real porn star. Imagine there are millions of blokes watching you, wanting you, wishing it could be them fucking you in the arse right now." I was quite enjoying my first venture into the porn industry and it definitely seemed to be doing the trick for Laura as well. Trailing the vibrator backwards as she began to work her glorious arse, her hips rocked back as she

guided herself onto the tip, enjoying the intensity of the sensations. Increasing the pressure bit by bit, Laura's anus began to stretch and accept the pulsating vibro.

"Oh God, that feels big," she mumbled, her head buried deep in the pillow. "But I want it in my arse. It makes me feel so dirty when I have something up my bum. I'm going to push it up right now. I want you to watch me. I want you to film me."

Lubricated by her own pussy juice on the vibrator, Laura's arse gave little resistance and she had soon eased in half of the vibrator's length. By now Laura was so lost in her own ecstasy that she had completely forgotten about me and the camera as she slid the vibrator in and out of her arse, her sphincter gripping the plastic tightly. Each stroke caused a muffled cry to escape from

her lips.

By now I was finding it absolutely impossible to control my throbbing dick, so still focusing the camera on Laura's arse antics, I knelt down behind her cheeks. Pulling my cock out of my trousers and into shot I slowly started to rub it over her bum. Laura responded by pulling the vibrator out of her arse, then looking over her shoulder and smiling at me. Without saying a word she was letting me know that she wanted me to fuck her right in the arse. I nudged the tip of my helmet at the entrance to her bum as she quickly slipped the sex toy into her pussy. Her arse yielded immediately and within a few short thrusts of my cock I was hilt deep in her back passage. The vibrations coming from her pussy triggered a sensation in my cock as well, which only went to double my pleasure.

"Come on. Fuck me in the arse," screamed Laura. I had never seen her this horny – or this dirty – before! "I want hot cock right up my arse and I want it right now," she

gasped. With each thrust Laura lifted her hips up allowing me to drive harder into her. The sensation was mind-blowing and I knew it wouldn't be long before I had to shoot my load. I could feel my balls tightening, but really wanted to see spunk. I withdrew from her arse just in time to deposit a torrent of thick white come all over Laura's lovely arse cheeks. The feel of hot sticky semen dripping all over her did the trick and again Laura whipped the vibrator out of her pussy and shuddered to a second climax. It was so powerful that she couldn't stay on all-fours a moment longer and flopped face down on the bed. My love juices dribbled down into her crack. How I'd managed to keep the camera rolling while my balls exploded I'll never know, but somehow it worked out. Absolutely everything was right there on film!

We spent the whole night playing back my dirty missus' on-camera arse antics and screwing like mad. The whole experience was fantastic and Laura absolutely loved it. She said she couldn't believe how much it turned her on to be filmed fucking – and how much she enjoyed watching herself performing afterwards as well. We'll definitely be doing it again before long – maybe with friends to add a bit of extra spice and excitement – and all I can say is that I'm going out to buy myself a tripod this weekend. Trying to hold a camera steady when your girlfriend's carrying on like that is way too hard!

What our well-placed moles are telling us this month...

DOWN THE WIRE

CROSBIE, THRILLS & GASH!

To Leeds, base for the women's Chinese Olympic swimming team. As they trained – doing doggy-paddle, lifesaving badges and trying to swim a width underwater, we imagine – they were being watched by local perv Declan Crosbie, who was peering over cubicles at them. Chased by staff, he hid in a cubicle and, in a genius move, answered them in a pretend female voice. Eventually he emerged, pleaded for them to let him go, then pegged it. Police caught up with him and, with his previous convictions for voyeurism and a three year jail sentence for trespassing to be taken into account, it's unlikely they'll accept a defence that he was just looking for his veruca socks.

SHITTERTON HAPPENS!

Ah, schadenfreude. It's time for those of us who live in dull, boring towns with dull, boring names to point our fingers and laugh at those who are less fortunate and live in stupidly-named places. So hats off to Shitterton in Dorset which just came top of a

poll to decide Britain's worst place name. Beating off stiff competition from Pratts Bottom, Crapstone, Brokenwind and Golden Balls, Shitterton even trounced its neighbour Scratchy Bottom. Of course, people in glass houses shouldn't throw stones, and we do work very near a Helmet Row if that's a consolation to anyone...

There's one around every corner!

ATTIC ANTICS!

When Rock Hill, South Carolina woman Tracy heard noises in her attic (or loft, as we'd have it) then saw nails popping out of the ceiling, she thought there was a poltergeist in the house (we didn't say she was intelligent). It turns out it was her ex boyfriend, who she'd split up with 12 years earlier, and who had been in prison. Released two weeks earlier, he'd made a home for himself in her attic, sleeping in the heating unit, and doing his number ones and twos in a number of plastic cups. He'd also rigged the ceiling vents in order to watch Tracy in her bedroom. He fled the scene and is still at large. Check your attic.

How green is Emma's garden? And the answer came back not much growth, in fact, it's bare!

"I always keep my petals silky smooth and free from the tangle of a bush. I just love the way a bald snatch feels, especially when a guy rubs his prick along my hair free slit."

We are rather keen on them ourselves, though sometimes a little triangle or strip leading down to fleshy lips is a tempting image for us men too.

This is one bad, bad Brookie and the lady is relishing her new title, as she tells all about a weekend away with the girls.

"We'd hardly been there five minutes when the shots came out, and men started to flock to our table. Some of the dishy ones we bugged over for, and then there may have been an incident in the toilets where a couple of us bent over too."

Some honest cubical action takes us back to the glory days, and we're sure most of you have a story of a similar nature.

Georgia 
PHOTOS: EXPOSUREZONE

A woman with long dark hair in a braid, wearing a black leather choker, a black bikini top with white trim, and black leather boots. She is posing outdoors in front of a wooden fence and green foliage. She has her hands on her hips and is looking back over her shoulder.

This could bring a whole new meaning to riding bareback, as Georgia has us rearing up and keen to get in the saddle. And if you thought all this cowgirl get up was just for show, then think again as it turns out Georgia more than knows her way around a

horse and its hooves. "I've been working with horses all my life. One of the best things is heading out early in the morning across open land. Hell, I just love riding full stop!" Across the board? "Yes, right across the board and beyond."

Tiffany 
PHOTOS: HOLLY RANDALL

Dark and tempting are two words Tiffany Thompson hears often, but she seems to enjoy the conclusion.

"It makes me sound like a chocolate bar, a really rich 80% one, which in my eyes is more than welcome. Just think of me melting on your tongue."

The thought of tasting Tiffany is more than we can bear and the little minx is delighted by it.
